

# Air Compressor

## 12 Volt - 150 PSI

Portable • Powerful • Reliable

• One of the most powerful 12 volt Air Compressors available in the Australian market with a huge 50lpm @ 30 psi.

• The Kincrome Air Compressor will easily inflate a 31x10.5R15 4WD tyre within 2 minutes up to 20 consecutive times before the automatic thermal shutdown switch could activate.

• Screw on air filter with easily replaceable element for clean air intake, ensuring extended life of the compressor.

**Tough weather resistant, twin compartment carry bag included!**

Promotional Item Only. Limited Stocks for a Limited Time
