

## WHITE CHRISTMAS WITH HONDA'S NEW TRX90

Honda's sporty TRX90E now comes finished in an all-white paint scheme, and just in time to surprise the kids for Christmas!

Customers will also get \$100 cash back on the TRX90 as well as receive a Red Rider Value Pack worth \$250 to keep them looking the part.

The pack includes a limited edition backpack, lunch pack, exercise book, pencil case, sticker set, notepad, sleeping bag and beach towel!

Geared for kids aged 12 years and older, it's easy to see why the TRX90 is at forefront of every kid's mind.

Featuring the same aggressive, off road performance and styling as the TRX450ER and real suspension powered by a torquey 4-stroke powerplant, the TRX90E is the ideal introductory bike.

Convenient electric starting and a maintenance-free CD ignition system means the bike is as reliable as every other Honda in the fleet.

Its 15mm carburetor also offers excellent fuel consumption and crisp throttle response, whilst the durable automatic clutch makes takeoffs and shifting gears a breeze, particularly important for the less experienced rider.

With TRX450R-inspired bodywork, suspension settings designed for rider comfort and a host of other refinements, this little 4-wheeler will bring a smile to the face of anyone who jumps on board.

Recommended for riders 12 years of age and older, the TRX90 retails for \$4,490.00 (including GST, excluding Dealer Delivery). The white TRX90 is available in dealerships now.

Cash back and Red Riders pack promotions are available until 31 December 2007.
