

Description of each Principle

EVENT INFORMATION

Each of the 8 disciplines will have 1 hour each allocated for the feature competitions of the day, refer to event schedule. Support classes will run as per a usual race meeting over the day.

Link: www.2wmm.com.au/info

MOTO -X: A very popular form off Dirt Bike racing, Moto-X has huge exposure worldwide. The courses consist of natural & man-made terrain, which includes Jumps of various heights and distances, Ruts and/or Berms on most corners on a demanding 1.5km course. A 40 Grid start-line, which is controlled by one long dropping gate sets racers into action. 2WMM will be run Three Feature Classes:

- [Moto-X Mayhem Lights](#)- For machines up to 125cc 2 stroke or up to 250cc 4 stroke.
- [Moto-X Mayhem Open](#)- For machines over 125cc to unlimited capacity or 251cc 4 stroke machines to unlimited capacity.
- [Moto-X Mayhem Women](#)-All women over 16yrs and any size machine from 100cc to unlimited capacity.

Demographic: 5-40yrs.

FREE STYLE MOTO-X: FMX needs no introduction is known as one of the most exciting forms of competition of the modern day. The freestyle freaks go up against the judges in 2 major competitions:

- [2WMM Expression session](#)- where the riders do their best tricks possible to impress the judges for the win in the competition.
- [2WMM Step-Up Leap of faith](#)-This event will be a competition on the highest jump over an adjustable height bar. Limited run up and up ramp will apply to all. The winner is simple
The highest jump from 3 attempts will win the gold.

Demographic: 5-25yrs.

MINI MOTO-X: A very popular form off Dirt Bike racing, Mini moto-X has had growing exposure worldwide. The courses consist of natural & man-made terrain, which includes Jumps of various heights and distances, Ruts and/or Berms on most corners. Tracks are usually about 50% of the length of the Full size Moto-X courses. 2WMM will be run with Two Feature Classes:

- [Mini-Moto Mayhem Lights](#)- For machines up to 110cc modified.
- [Mini-Moto Mayhem Open](#)- For machines from 111cc up to 155cc modified.

Demographic: 5-20yrs.

ENDURO-X: Arena Style of this New form off racing is taking off with huge popularity. This is taking the usual for off Road Enduro racing into the Urban environment. With a stadium style moto-X and add bush obstacles like Rock Gardens, Large and small log crossings, tyre pit, large pipe constructions. 2WMM will be run with Two Feature Classes:

- [Enduro-X Mayhem Lights](#)-For machines up to 125cc 2 stroke or up to 250cc 4 stroke.
- [Enduro-X Mayhem Open](#)-For machines over 125cc to unlimited capacity or 251cc 4 stroke machines to unlimited capacity.

Demographic: 25-55yrs.

MOTO Trials: This is test of skill under extreme conditions; the course will be man-made on the current 4WD park at the Oran park complex. These bikes and riders tackle obstacles that you cannot believe; the competition will run under current Moto trials competitions and will have only Three feature classes.

- [Moto-Trials Mayhem Juniors](#)- For machines up to 125cc 2 stroke or up to 250cc 4 stroke, junior age group.
- [Moto-trials Mayhem Seniors](#) - For all Trials machines unlimited capacity, for senior riders over 16yrs.
- [Moto-trials Mayhem Women](#). - Open to females over 16yrs any machine.

ROAD RACER. The Road race portion of the event will be held on the south circuit of Oran Park. There will be 4 Feature classes in the competition.

- **To be announced**

Demographic: 18-45+yrs.

STUNT RIDER: This is an open competition for stunt riders. This event will be scored by judges, on the level of difficulty and execution of stunts performed, always plenty Of action with these guys. Stunt rider Competitions will have only 3 feature classes.

- **Stunt Expression session.** Any Motorcycle.
- **Wheel stand expression session.** Any Motorcycle.
- **Longest nose wheelie or stoppie.** Any Motorcycle.

Demographic: 18-40yrs.

SUPERMOTO: This new and exciting form of racing comprises of both Tarmac and Dirt Moto-X in the one action packed discipline. We will see the top Moto-X, Enduro-X, Freestyle and road racers taking on this event. Supermoto is the true test of racers all round ability and will be the final feature hour of the action packed day. There will be 3 Feature classes in the competition.

- **Supermoto Mayhem Lights** - For machines up to 125cc 2 stroke or up to 250cc 4 stroke.
